This Company makes audits and examinations of books and accounts and reports the true business conditions. It also makes physical examinations and appraisals of land, buildings and machinery.

This Company's reports and certificates, showing profits and financial conditions, are of service to corporations, firms and individuals, and can be used with banks and in financial negotiations.

Financial systems of accounting and those showing "Costs" furnished at moderate prices, frequently effecting economies.

All information confidential and confined to examiners and the Western Manager.

A. W. DUNNING,
Western Manager.
